

# Valley Vet Boarding Contract

Thank you for choosing Valley Veterinary Hospital to take care of your family member(s) while you are away! We board cats and dogs on a reservation basis. You are welcome to bring food, blankets, toys, and any other item(s) you feel will provide comfort to your pet. Please note that items left with your pet(s) while unsupervised may be damaged or destroyed. We are not responsible for items chewed, de-stuffed, lost, torn, broken or otherwise damaged. You will be charged for any excessive damage to provided amenities.

For the safety of all our guests, we require proof that vaccinations are current; if they are overdue or you are unable to provide proof, we will vaccinate your pet at your cost. We recommend vaccinations be brought current at least 10 days prior to boarding, especially Bordetella (Kennel Cough) as it is highly contagious. (Note: even properly vaccinated animals can occasionally contract upper respiratory infections like Kennel Cough.) **Dogs: Rabies, Bordetella and DA2PP** (recommend Influenza) **Cats: Rabies, FVRCP and FeLV**

When checking in for boarding, a staff member will go over this form with you so we can get better acquainted and create the best boarding experience for your pet(s). We will also check for any obvious external health problems. **Dogs with a contagious cough are not allowed to board and must be symptom free for two weeks after a contagious illness to board.**

We are more than happy to accommodate injections, medications, supplements, subcutaneous fluids and daily treatments as we are able! See fee list below. **Medications must come with their original container and the prescription label.**

We will make every attempt to contact you via the information on this form if your pet becomes ill or needs medical care while here. If no one can be reached, this form will serve as consent for the doctors and staff of Valley Veterinary Hospital to treat, prescribe medications for, or perform surgery in emergency situations upon the listed pet(s). All medical expenses incurred will be due at time of check-out. While we make intense effort to make our guests as comfortable as possible, we reserve the right to sedate boarding animals as deemed necessary by the doctor on duty if the guest is displaying the potential to be harmful to themselves and/or others.

In order to best serve our clients, we have a **cancellation policy**. **If a guest does not show up for a reservation or they cancel within 24 hours of the reservation start date, the client will be billed for one night of the reservation. Holidays have a 72 hour cancellation policy.**

We ask that all clients leave a credit card on file at the time of booking unless other arrangements have been made for payment. **Guests staying longer than two weeks will be charged weekly. If you wish to avoid having your card charged weekly, you may leave a deposit at check-in for the estimated amount of your final bill.** Discounts listed below apply to boarding fees only, not veterinary services. If a guest is left here more than 5 nights past the expected departure date without communication, the pet(s) will be considered abandoned and the Ellensburg Animal Shelter will be contacted. You are responsible for any expenses incurred in this situation.

For guest security and comfort, our lobby hours are: **M-F 8:00a-11:00a and 2:00p-5:00p, Sat 8:00a-11:00a, Sun 4:00p-6:00p**
